

INVITATION

On behalf of the *Hungarian Mining and Metallurgical Society (OMBKE)* and the *Hungarian Section of SPE* we cordially invite you and your colleagues to the

33rd International Oil and Gas Conference and Exhibition

Date of event:

September 24-26, 2025

Venue:

AquaMed Hotel Harkány (former Thermal Hotel Harkány)

7815 Harkány, Járó József u. 1., Hungary

Registration is possible on the homepage of the conference by filling the form on the registration page: <https://oilgasconf.ombke.hu/en/home/>

This traditional Conference is organised in every 2nd or 3rd year with the objective that the Companies who represent different but connecting professions of our industry can introduce their innovations, successes, can have discussions on their challenges on an international level and they can take steps towards their future cooperation as well.

In the program there are important emphases on E&P developments, on technical interventions to keep up the capacity of the existing production units, production of hydrogen as the energy of the future and last but not least the legal and concession issues.

Companies can apply to give presentation(s) or hire a booth for exhibition when they register on the above link of our homepage.

You will find all the detailed information regarding hotel booking in the confirmation e-mail after registration.

We kindly ask you to contribute to the success of the Conference either with your personal participation or the active participation of your colleagues.

Good luck!
